## LF53

### Technical specification

|                                |                     |
|--------------------------------|---------------------|
| Model Number                   | LF53                |
| Input Voltage                  | 120V                |
| CRI                            | >80                 |
| Power Factor                   | >0.9                |
| THD                            | <20%                |
| Ambient Operating Temp.        | -40~40°C            |
| Surge Protection               | 2.5KV               |
| Control                        | Photocell(optional) |
| Motion Sensor                  | PIR(optional)       |
| Efficacy                       | Up to 112lm/w       |
| Color Temperature (Selectable) | 3000K/4000K/5000K   |
| LF53                           | 23W(2581lm)         |
| LF53-CCT                       | 24W(2572lm)         |

\* All values are nominal with  $\pm 10\%$  tolerance.

### Features

- Die-cast aluminum housing for durability and heat dissipation.
- Adjustable color temperature and wattage for versatility.
- Integrated photocontrol for automatic dusk-to-dawn operation.
- Long lifespan of 50,000 hours at 40°C.

### Applications

- Commercial Areas
- Entrances & Doorways
- Parking Lots & Garages
- Industrial Facilities
- Security Lighting
- Pathways & Perimeters
